

INVESTOR CODER

Aspiring Web Developer

investorcoder@email.com | +1 (234) 567-890 | github.com/investorcoder | linkedin.com/in/investorcoder | Remote

PROFESSIONAL SUMMARY

Motivated and detail-oriented web developer with a strong foundation in HTML, CSS, and modern web technologies. Passionate about creating clean, responsive, and user-friendly websites. Proficient in version control with Git and experienced in using Tailwind CSS for rapid UI development. Seeking an entry-level position to contribute to dynamic development teams while continuing to grow technical skills and industry knowledge.

TECHNICAL SKILLS

Frontend:	HTML5, CSS3, Tailwind CSS, Responsive Design
Tools:	Git, GitHub, VS Code, Chrome DevTools
Soft Skills:	Problem Solving, Attention to Detail, Time Management, Team Collaboration, Self-Motivated Learning

PROJECTS

Personal Portfolio Website

Self-Directed Project | 2026

- Designed and developed a fully responsive portfolio website from scratch using HTML, CSS, and JavaScript
- Implemented smooth scrolling navigation, animated sections, and mobile-first responsive design
- Created an ATS-friendly resume and integrated it with a downloadable call-to-action button
- Technologies: HTML5, CSS3, JavaScript, Git

Analytics Dashboard

Self-Directed Project | 2026

- Built a responsive data analytics dashboard with interactive charts and dark mode toggle
- Designed a clean, intuitive interface using Tailwind CSS utility classes for rapid styling
- Implemented responsive sidebar navigation and data visualization components
- Technologies: HTML5, Tailwind CSS, Chart.js, Git

Product Landing Page

Self-Directed Project | 2026

- Developed a modern, conversion-focused landing page for a SaaS product
- Built sections including hero, features, pricing tables, testimonials, and contact form
- Optimized for performance, accessibility, and cross-browser compatibility
- Technologies: HTML5, CSS3, Git

EDUCATION

Self-Taught Web Developer

Online Learning Platforms & Documentation | 2024 - Present

- Completed comprehensive courses in HTML, CSS, and modern web development practices
- Built multiple projects to demonstrate practical application of learned skills
- Actively engaged with developer communities and open-source projects on GitHub
